UNITED WE FIGHT. UNITED WE WIN.

United Way fights for the health, education and financial stability of every person in every community. We are more than fundraisers - we are hand raisers. We raise our hands not only to lead the fight, but to reach out to people who need help - and hope.

We win when we LIVE UNITED- by forging unlikely partnerships, finding new solutions to old problems, mobilizing the best resources and by inspiring individuals to join the fight against our community's most daunting social crises.

So who are the hand raisers, the game-changers? They're people who know that at the core of every human being is a desire to do good. People who recognize the power that comes from a shared purpose. People who understand we're stronger together than we are alone. People like you.

We are part of a network of nearly 1,800 United Ways in 41 countries and territories. But the place that needs you most is right here. So raise your hand if you're ready to be that game changer. Because United we fight, United we win. We have one life. To live better, we must LIVE UNITED.

Hundreds of hand raisers impact lives every Spring & Fall by volunteering for Day of Caring.

United, Financial Stability programs, like Volunteer Income Tax Assistance (VITA), Bridges Out of Poverty, Getting Ahead in a just gettin' by World and Financial Peace University, empower families on the path to a new future story for themselves, and future generations.

Together, JC CARES Addiction Recovery Resource Rallies provide help and share hope with those struggling with addiction and their families.

When you raise your hand, we LIVE UNITED.
