Monthly POY (Point of Youth) Report

Cindy Corya (Andi's mother) reports that Andi attended a SADD meeting at school and talked to them, and gave Mrs. Eadens the brochure for the upcoming youth summit, and the contact from ICJI for SADD, she would like the gentlemen to come to the high school with the goggles and the golf-cart (they let the kids drive it while "impaired" and it shows them just how it affects your driving.

Subject: Re: Indiana Point of Youth

Cheri,

I thought I was going to be able to attend the meeting, but I found out I have a lab 3rd period so I can't miss the class. Sorry for telling you on such short notice.

The main project I am working on is the Drug Drop Off day. We decided that it will be held on April 18th. The title is going to be "Pills for a Positive" with the tagline "Child Proof, Not Teen Proof." A flyer and brochure are being made up to distribute and advertise the event.

I was wondering if you could help me find a place that would be able to dispose the drugs and the venue at which people could drop off their drugs. I was told that libraries are good venues for things like this. A place of disposal needs to be located, and a crematorium was mentioned. Do we have one in North Vernon? I also need to talk to law enforcement because they will have to be present when the drugs are dropped off. I would really appreciate the help and sponsorship from the LCC! Thanks!
