## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Jennings County United Way, Inc.  
North Vernon, Indiana

We have audited the accompanying Statements of Financial Position of Jennings County United Way, Inc., a not-for-profit organization, as of December 31, 2010 and 2009 and the related Statements of Activities and Changes in Net Assets, Functional Expenses and Cash Flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Jennings County United Way, Inc. as of December 31, 2010 and 2009, and the changes in its net assets, functional expenses and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**NATURE OF ACTIVITIES** - Jennings County United Way, Inc. (the Organization), was formed in 1963 as a voluntary not-for-profit organization benefiting the Jennings County, Indiana community. The mission of the Organization is to provide vision and leadership in the community's pursuit of a rich and full quality of life for all people in Jennings County. The Organization is governed by a volunteer board of directors and solicits donations from the public in Jennings County and grants monies to various not-for-profit agencies.

**BASIS OF PRESENTATION** - The Organization records income and expense using the accrual method of accounting and accordingly reflects all significant receivables, payables and other liabilities. Financial statement presentation follows Financial Accounting Standards Board (FASB) ASC 958-225-45-5, *Financial Statements of Not-for-Profit Organizations*. Under (FASB) ASC 958-225-45-5, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

**Unrestricted Net Assets:** Unrestricted net assets include expendable resources over which the Organization's Board of Directors has discretionary control and are used to carry out the Organization's operations in accordance with its by-laws.

**Temporarily Restricted Net Assets:** Temporarily restricted net assets include resources expendable only for those purposes specified by the donor or grantor. The restrictions are satisfied either by the passage of time or by actions of the Organization.

**Permanently Restricted Net Assets:** Permanently restricted net assets include resources subject to donor imposed stipulations that are maintained permanently by the Organization.

**CASH AND CASH EQUIVALENTS** - For the purposes of the Statements of Cash Flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

**PROPERTY AND EQUIPMENT** - Property and equipment are stated at cost or, if donated, at the approximate fair market value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Maintenance and repairs are expensed as they are incurred. Depreciation expense is computed using the straight-line method over the estimated useful lives of the respective asset as follows:

Office Equipment	5 Years	
	2010	2009
Depreciation Expense	\$ <u>464</u>	\$ <u>333</u>

**December 31, 2010 and 2009**  
(See Independent Auditor's Report)

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (Continued)

**SUPPORT, REVENUE AND PLEDGES** - All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Pledges for contributions are recorded as a receivable when the pledge is received and allowances are provided for pledges estimated to be uncollectible. Amounts received that are restricted for future periods or donor restricted for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classifications.

When a donor stipulated time restriction ends or a purpose restriction is accomplished, then the restricted net assets are reclassified to unrestricted net assets and are reported in the Statement of Activities as net assets released from restriction.

The majority of pledges receivable are received from a broad base of Jennings County contributors as a result of the annual United Way Campaign.

The allowance for uncollectible pledges is maintained at a level which, in management's judgment, is adequate to absorb potential bad debts inherent with pledges receivable. The amount of the allowance is based on management's evaluation of the collectability of the pledges receivable, trends in historical bad debt experience and economic conditions, applied to gross campaign, including donor designations. The allowance is increased by a provision for uncollectible pledges, which is charged to expense and reduced by charge-offs, net of recoveries. Because of uncertainties inherent in the estimation process, management's estimate of bad debts and the related allowance may change in the near term. However, the amount of the change that is reasonably possible cannot be estimated.

**SHORT-TERM INVESTMENTS** - Short-term investments consist of certificates of deposit and are recorded at fair value.

The Organization's short-term investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to the changes in the values of investments, it is at least reasonably possible that changes in risks in the near term would materially affect the amount reported in the Statements of Financial Position and the Statements of Activities.

**COMPENSATED ABSENCES** - Employees of the Organization are entitled to paid vacation, paid sick days and personal days off, depending on job classification, length of service, and other factors. It is impractical to estimate the amount of compensation for future absences and, accordingly, no liability has been recorded in the accompanying financial statements. The Organization's policy is to recognize the costs of compensated absences when actually paid to employees.

**COST DEDUCTION** - The Organization is committed to compliance with United Way of America's cost deduction requirements for recovering actual costs associated with processing and transferring designated funds.

**FUNCTIONAL ALLOCATION OF EXPENSES** - The costs of providing the various programs and other activities have been summarized on a functional basis in the Statements of Activities. Accordingly, certain costs for payroll and other overhead costs have been allocated among the programs and supporting services based upon the distribution of staff time.

**ADVERTISING** - Advertising costs are expensed as incurred.

**IN-KIND CONTRIBUTIONS** - During the years ended December 31, 2010 and 2009, the Organization has recorded the value of contributions meeting the requirements for recognition in the financial statements totaling \$28,924 and \$922, respectively. In-kind contributions are as follows:

	\$ 28,924	\$ 922
Total In-Kind Contributions	\$ 28,924	\$ 922

**CONTRIBUTED SERVICES** - During the years ended December 31, 2010 and 2009, a substantial number of volunteers have contributed significant amounts of their time to the Organization and its fundraising campaigns. These services do not meet the requirements for recognition in the financial statements in accordance with FASB ASC 958-605-50-1, *Accounting for Contributions Received and Contributions Made* and are not included in the financial statements.

**USE OF ESTIMATES** - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**INCOME TAXES** - The Organization is a not-for-profit, charitable organization as defined by Internal Revenue Code Section 501(c)(3) and is not subject to federal or Indiana income taxes.

**RECLASSIFICATIONS** - Certain account combinations from the prior year financial statements have been reclassified in the financial statements and notes to the financial statements to conform to the current year format.

**NOTE 12 - FAIR VALUE OF FINANCIAL INSTRUMENTS**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at a particular date. Generally accepted accounting principles establishes a fair value hierarchy which requires an organization to maximize observable inputs when measuring fair value. Three levels of inputs may be used to measure fair value as follows:

Level 1: Quoted market prices in active markets for identical assets or liabilities.

Level 2: Significant other observable inputs, other than quoted market prices included in Level 1 prices, for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an Organization's assumptions about assumptions that market participants would use in pricing an asset or liability.

The Organization values certificates of deposit at fair value based upon similar investments with the same terms (Level 2). The beneficial interest in Jennings County Community Foundation is based upon a valuation model that calculates the present value of estimated future distributable income (Level 3).

Assets measured at fair value on a recurring basis are summarized below by the three levels of hierarchy:

	2010		
	Level 1	Level 2	Level 3
Certificates of Deposit	\$ -	\$ 24,631	\$ -
Beneficial Interest in Jennings County Community Foundation	-	-	20,433

**NOTE 14 - ACCOUNTING FOR UNCERTAINTY IN INCOME TAXES**

The Organization has adopted guidelines in accordance with FASB ASC 740-10, *Accounting for Uncertainty in Income Taxes* as of January 1, 2009. A tax position is recognized as a benefit only if it is more likely than not that the tax position would be sustained in a tax examination. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For the tax positions not meeting the more likely than not test, no tax benefit is recorded. The adoption had no effect on the Organization's financial statements. The Organization is generally no longer subject to examination by taxing authorities for years before December 31, 2007 and does not expect the total amount of unrecognized tax benefits to significantly change in the next year.
